**Email: info@associatedscales.com.au**  
**Web: www.associatedscales.com.au**

The ASBB can be designed with or without a full PLC controller system for batching.

As most sites have height restriction the frame is designed around the customer's needs.

This system is trade approved and the resultant weights can be sure for sale.

<b>Capacity</b>	Up to 1500kg (can be designed around other capacities)
<b>Material</b>	Mild Steel (2 pack paint) Mild Steel Galvanised (Optional) Stainless Steel (Optional)
<b>Option for Load Cells</b>	4 x Trade Approved Beam Type
<b>Power</b>	Single Phase 24VAC
