The FB400 can be set so the bevelled edge is only 5mm off the ground. The bevelled edge assists in reducing any tripping affect whilst moving on to the scale.

Attached wheels make it easy to move the scale to where it is needed.

Stainless Steel Support Rails for hygiene.

Access is via 2 sides and with the bevelled edges. This bariatric scale is one of the easiest to use and safest high capacity scales available.

FB400 (Fabricated Bariatric Scale)
